### Proportional Representation Assignment

Romania has several political parties: the Social Democratic Party (PSD), the National Liberal Party (PNL), Alliance, the Democratic Alliance of Hungarians in Romania (UDRM), Pro Romania (PRO), People's Movement Party (PMP) and many other smaller parties (combined under the "other" category).

The results from the 2016 and 2020 elections are presented in tables below.

#### 2016 election

PSD	PNL	Alliance	UDRM	PRO	PMP	Other
45.5%	20.0%	8.9%	6.2%	5.6%	5.4%	8.4%

#### 2020 election

PSD	PNL	Alliance	UDRM	PRO	PMP	Other
28.9%	25.2%	15.4%	5.7%	4.1%	4.8%	15.9%

Given that Romania uses proportional representation to determine the 329 members of parliament, how many seats did each party gain/lose in 2020 when compared to 2016?
